OPT Final Instructions

Application Checklist:
You will receive an I-20 with an OPT recommendation and a printout from your SEVIS record regarding whether or not you have had CPT. Once you have received these items, follow instructions below.

Double check your I-20 for accuracy:
- On page 1:
  - Under “Program of Study”, check your program end date. ISS may have adjusted the program end date. The date should be before your OPT requested start date.
  - Under “Remarks”, should have a comment about OPT.
  - Under “School Attestation”, should have Designated School Official signature.
  - Under “Student Attestation”, you should sign and date the I-20.
- On page 2:
  - Under “Employment Authorizations”, this is where your OPT recommendation is listed. Check to make sure the “type”, “full/part-time”, “start date”, and “end date” match what you intend to apply for. The “status” should say “requested.”
  - Under “Travel Endorsement”, should have Designate School Official signature.

If you have any questions regarding the accuracy of your I-20, contact ISS immediately. If it looks fine, sign and date the I-20, then make a photocopy. You will use the copy for your application and keep the original.

Double check your I-765 for accuracy and completeness:
- Check your I-765 again, following the “Instructions for Form I-765” on https://www.uscis.gov/i-765

Assemble your application documents in the following order. Staple or paperclip the entire packet together.

- Completed Form G-1145 (Optional, but recommended. Only when sending with USPS to Phoenix.)
- Filing Fee - You may pay by check, money order, cashier’s check, or credit card. (If using credit card, must also include Form G-1450, Authorization for Credit Card Transactions.) Visit https://www.uscis.gov/forms/our-fees for the current fee for the I-765.
- Completed original Form I-765. Make sure to sign the I-765 form by hand in black ink.
- Photocopy of valid, unexpired passport biographical page
- Photocopy of most recent F-1 visa (all students except Canadian citizens)
- Photocopy of front and back of I-94 OR printout of most recent electronic I-94
- 2 U.S. passport-sized photos (taken within 30 days and never used for any other purpose) in a small plastic bag. Write your name, birthdate, and I-94 number in ballpoint pen on the back of each photo.
- Photocopy of I-20 with OPT recommendation, with signatures from you and ISS on the front page. Do NOT send the original I-20. Keep the original.
- Printout of CPT Employment page from your SEVIS record (provided by ISS)
- Photocopy of any I-20s showing Curricular Practical Training (CPT) authorization. If you have not had CPT, you do not need to include I-20 photocopies of other past I-20s.
- Photocopy of any previous EAD cards (if you were previously authorized for OPT or economic hardship)
- Photocopy of job offer letter, if you have one (optional)
- Any other documents personally recommended for you by ISS (optional)

Make sure all the information in your packet is correct and complete: USCIS may deny your application if it is not. Make a photocopy of your entire application packet for your records before sending to USCIS.

Mailing Instructions:
You are responsible for mailing your OPT application to the appropriate USCIS address in a timely manner. USCIS must receive your application:
- No earlier than 90 days before your program end date
  - Do not send your application packet any earlier than 91 days before your program end date, as sometimes even 2-day mail can arrive in 1 day. Your application will be automatically denied if it arrives too early. Check your program end date on the front page of your I-20.
- No later than the last working day on or before your 60-day grace period
  - Your grace period begins on the day after your program end date, found on the front page of your I-20.
- Within 30 days of the OPT recommendation date
  - You can find this date next to the ISS staff signature on the first page. This is the date the I-20 was created and OPT recommended.

Regardless of what shipping method you choose, ISS recommends you use tracking to monitor when your packet is received by USCIS.

If you need to update the EAD card mailing address, contact USCIS. To avoid unnecessary complications and problems, ISS recommends you file your OPT application with a requested EAD card mailing address that will remain valid for at least four months.

**What Happens After You Apply for OPT:**

1. Check your I-20 program end date (on first page in “Program of Study” section): this is the LAST DAY you may be employed as a student. You may not work in any capacity until you receive your EAD and your authorized OPT start date arrives.
2. If you are a bachelor’s or master’s non-thesis student and do not graduate as expected, contact ISS immediately. Do not let your I-20 expire.
3. You’ll receive electronic notice when USCIS receives your application, if you submitted Form G-1145.
4. Within approximately three weeks, you will receive a hard copy receipt notice. Please check this notice for accuracy and inform your Immigration Counselor if anything is incorrect. This will have your official receipt date and case number, which you can use to track the status of your application on the USCIS website:  
  https://egov.uscis.gov/casestatus
5. If you receive a Request For Evidence, contact ISS immediately.
6. You may check the USCIS Processing Time Information website to get an estimation of how long each USCIS office is taking to process I-765s:  
  https://egov.uscis.gov/cris/ProcessTimesDisplayInit.do
7. If approved, an Employment Authorization Document (EAD) will be sent to the address used on the I-765 Form. Check the EAD for accuracy and inform ISS if anything is incorrect. Make two copies of the card: one for yourself and send one to ISS.
8. If you applied for a Social Security Number by using the I-765, your Social Security card will be sent to the address used on the I-765. You should receive the Social Security card approximately two weeks after receiving the EAD card. Do not send a copy of your Social Security card to ISS.

9. Before you start working you must have your card in your hand. **You cannot begin practical training of any kind until the start date listed on your EAD, this includes volunteering in approved volunteer training programs (see ISS first), training and orientation for an upcoming opportunity.** Remember, your employment/training must be directly related to your major.

### Travel on OPT:

International travel while on OPT or while OPT is pending is possible, but you should exercise caution. Please also be sure to check Purdue ISS’s updates about Immigration Changes before travelling:

#### Updates While on Approved Period of OPT:

Once you are on your approved period of OPT, you will use the “OPT Reporting” e-form group in the “F-1 Optional Practical Training” category to **report any changes to personal and employment information within 10 days of the change.** You must inform ISS each and every time your information changes. Also use this e-form to periodically validate information while on OPT. This e-form may also be used to request a new travel signature or reprinted I-20 while on OPT.
