One Community Grant Program

Purpose: To encourage student organization programs which promote inclusion, and provide Purdue students opportunities to engage those from other cultures and experiences. The promotion of programs which provide meaningful international and domestic student interaction is a primary purpose for this grant.

Grant Details: The grant will contribute (with receipts) up to $1000 per event for accepted costs related to the event. Acceptable costs principally include food expense, facility or equipment rental, and event promotion though other costs will be considered and discussed during a required interview. Requests for grants exceeding $1000 will be considered on a case-by-case basis. The committee will decide the amount of funding awarded through this grant program after a required interview. Grant funds will be disbursed to the Business Office for Student Organizations (BOSO) for release to student organizations.

Priority: Smaller grants and events which demonstrate a strong multicultural effort will be prioritized. Collaborations between two student organizations is strongly encouraged, particularly where one organization’s members are primarily domestic students and the other organization’s members are primarily international students. Applications which demonstrate a potential for lasting impact on participants, the organization(s) involved, or the University will be most compelling.

Application: Applicants should complete and submit the attached application. An interview will be set up with the grant review committee with the student organization contact.

1) Application must be made at least three weeks before the event. Application form must be filled out and submitted to Leighton Buntain, buntain@purdue.edu.
2) Submission of an Activity Form for this event, on behalf of a recognized student organization at Purdue, via the BoilerLink system no less than two weeks prior to the event.
3) Student Organization representatives must attend the required meeting with grant committee to determine eligibility. You will be contacted by the committee.
4) Only one application per event required. If two or more organizations are co-sponsoring a program, one organization may submit an application and list co-sponsors.
