ACCEPTING YOUR OFFER OF ADMISSION

Activating Your Career Account

To activate your career account go to https://www.purdue.edu/apps/account/AccountSetup. You will use your 10-digit Purdue University ID (PUID) and career account set-up password which were provided in your offer letter. Your student career account is required to accept your admission offer online and to apply for on-campus housing. It also provides access to your @purdue.edu email, and once you have accepted your offer of admission, it will provide access to your myPurdue online student portal at www.mypurdue.purdue.edu.

Purdue Webmail Account

Your Purdue webmail account (@purdue.edu) will be used by the university to correspond with you once you have accepted your admission. Please be sure to set up your account and check it frequently.

TUITION PAYMENT OPTIONS

1. Touchnet Payments

If you have activated your career account, you may access your myPurdue portal to accept your admission offer. For students admitted for 2010 enrollment, a nonrefundable $200 deposit will be required at the time you accept your offer. The deposit will be applied toward first-semester fees.

The nonrefundable deposit may be paid by e-check or with MasterCard, American Express, or Discover credit cards (not Visa). (Be sure to choose “deposit” not “payment” when submitting this $200 advance deposit.) For step by step instructions go to http://www.admissions.purdue.edu/documents/AdmsOfferPay.pdf

Some students will not be required to pay the $200 deposit but still must accept their offer of admission by the appropriate deadline. The online student system, myPurdue, recognizes students who are exempt from the fee, and will allow them to accept their offer online without the payment.

2. Certified Check

You may send a certified check made payable to Purdue University. This check must be drawn on a US bank and in US dollars.
3. Wire Transfer Payments
Please contact the Office of International Students and Scholars at 765-494-5770 for detailed information on wire transfers.

APPLYING FOR HOUSING

After setting up your career account and accepting your admission to Purdue University, you can apply for housing through your mypurdue portal. A brochure containing housing information is enclosed with this mailing. **Please read it carefully.** If you have questions about housing matters, please contact University Residences at 765-494-1000 or by email to HFSWeb@purdue.edu. You should submit a completed housing application online as soon as possible after accepting your admission to Purdue University to maximize your possibility of securing on-campus housing.

YOUR I-20

Upon receipt of your tuition deposit or acceptance of your admission you will be notified by the Office of International Students and Scholars regarding your Certificate of Eligibility (Form I-20 or DS-2019).
